

# HFMA Announces 2010 Winners of MAP Award for Excellence in Revenue Cycle

For the second year, HFMA has identified hospitals with high-performing revenue cycles, and presented the following 10 hospitals with the MAP Award for Excellence in Revenue Cycle during ANI:

- Baylor Medical Center at Irving, Irving, TX
- CHRISTUS Schumpert Health System, Shreveport, LA
- Hospital of the University of Pennsylvania, Philadelphia, PA
- Riverside Methodist Hospital, Columbus, Ohio
- Danbury Hospital, Danbury, CN
- Saint Francis Hospital, Tulsa, OK
- The Valley Hospital, Ridgewood, NJ
- Princeton Medical Center, Birmingham, AL
- Geisinger Medical Center, Danville, PA
- Brookwood Medical Center, Birmingham, AL

MAP (Measure, Apply, and Perform) is a new initiative that HFMA has launched to raise the level of financial performance of the entire industry by driving revenue cycle excellence. Central to MAP are revenue cycle measures, or key performance indicators, that HFMA and leaders in the field developed to be industry standards.

The award winners will be discussed their organizations' best practices at HFMA's 2010 ANI: The Healthcare Finance Conference, June 20-23 in Las Vegas. The MAP award is sponsored by 3M Health Information Systems.

The Alabama Chapter congratulates Brookwood and Princeton!
